

Lady Gaga

About Lady Gaga

Stefani Joanne Angelina Germanotta, Lady Gaga, was born on March 28, 1996 in New York, NY. She is an american singer, songwriter, record producer, actress, and business woman. She has been performing since she was a teenager, going from singing at open-mic nights at school plays, to performing at concerts in front of 100's of people. She is known for her versatility in her entertainment industry.

Interesting Facts

- Lady Gaga has had the same vocal coach, Don Lawrence, since she was just 11 years old.
- As a freshman in high school, Lady Gaga joined a cover band that played classic rock.
- Lady Gaga's first tattoo was a G clef on her lower back.
- She performs without pants because of her grandmother, who has poor vision, will be able to "make out the lighter parts like her skin and hair."
- Lady Gaga is the first person ever win an Oscar, Grammy, BAFTA, and Golden Globe in the same year, which were all won from "A Star Is Born."

What She Does

Lady Gaga still sings songs in the Pop Dance Electronic genre. Her most famous songs are Bad Romance, Shallow with Bradley Cooper, and Poker face, in my opinion. She was influenced by Queen, David Bowie, and Madonna, as her top 3. Lady Gaga plays piano, acoustic guitar, drums, and a keytar. She has influenced many people around the globe with her unique style of music. Lady Gaga is a living legend.
