

Living Legends!

By: Morgan Karnes

What I'm I going to do

Bruno Mars is going to be my living legend. He is an amazing songwriter, dancer, instrument player, and singer. Bruno Mars is well known as a singer and has made amazing music. He has created a song called "The Lazy Song". That is the song i am going to be doing.

Born and Raised

Bruno Mars's real name is Peter Gene Hernandez. He was born on October 8, 1985, and was raised in Honolulu, HI, which is also his hometown. Honolulu was where he lived most of his life, but soon he moved to LA to reach his dreams of being a

Instruments Played

Bruno Mars PLayed bass,keyboard,drums,and guitar. ALso I was shocked that he knows how to play all these instruments. Bruno's most famous song is “ Just the way you are”.

Influenced

This influence is very important to Bruno Mars, because he was a huge part of his life. And his name is James Brown, Bruno said that "The soul of a legend" inspired him to change his life.
